Laminated
on both
sides

Multi-level
design

Welcome to Axiom® Shapes, the unique new concept in kitchen design, that offers specially developed modular shaped worktops to give you ultimate flexibility in creating the perfect kitchen.

The Axiom Shapes range provides endless options for worktops, breakfast bars, shelving and numerous other creative designs to challenge your imagination.

**Square
edged
profile**

**6 stylish
laminate
designs**

**Unique
shapes**

The shape, colour and texture options within the Axiom Shapes range offers you the latest trends in kitchen design. Use Axiom Shapes worktops to create multi-level work surfaces that will bring depth and dimension to your kitchen, whatever the size and shape of the space.

Axiom Shapes worktops are laminated on both faces and pre-edged on all sides, making installation quick and easy - just cut to shape and install.

Designs and Textures

The Axiom® Shapes range reflects the most stylish colour trends in kitchen design and the latest developments in laminate texture.

Basalt Slate PP3690AHD **S U**
Basalt Slate is offered in a honed texture which emulates the look and feel of natural stone.

Everest PP5568CR **S U**
Crystal brings a delicate surface shimmer to the Everest design.

Serene PP5963AB61
The Gloss finish of Serene creates a clean, modern look with superb light reflective qualities.

Travertine PP3526AET
The etched texture of Travertine produces subtle surface detail and a softly polished sheen, to give an authentic granite look.

Walnut Butcher Block PP0911UN
Walnut Butcher Block is given a truly natural finish with a universal laminate texture.

Wenge Butcher Block PP6965UN
Wenge Butcher Block is finished in a universal texture that creates a smooth matt surface on this exotic dark woodgrain.

Worktop Shapes

How to order your Axiom® Shapes Worktop

When you make your order please quote the code for the design you require and the code for the shape you require. For example, to order a Basalt Slate Circular worktop, the order code would be PP3690AHD R2.

Square Edged Worktop Shape

(3600 or 4100 x 650 x 40mm)

All surface finish

Counter extension
with leg support 1

Two-tier worktop

Counter extension
with leg support 2

Technical Information

As the UK's only manufacturer of high pressure laminate, Formica Limited is the only company that can offer a lifetime guarantee on its range of laminate worktops. This guarantee covers any laminate worktop found to be defective in either material or manufacture from the date of installation.

Due to the properties of gloss laminate we are unable to accept performance responsibility for this decorative surface.

Colour and surface finish should be compatibility checked before fitting as we cannot accept claims for re-fitting resulting from a mis-match of colour or surface finish.

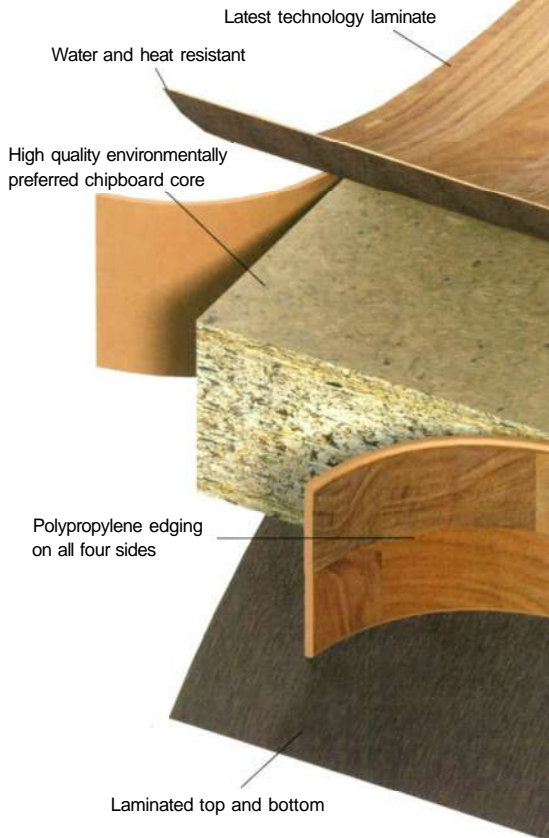

All Axiom® worktops are strictly manufactured in accordance with British and European standards to ensure they meet exacting modern kitchen requirements.

For full technical and care information, please refer to the Installation and Maintenance leaflet supplied with each Axiom® Shapes worktop.

Square Edged Profile

Axiom Shapes laminate worktops have a square edged profile crafted from high quality polypropylene, guaranteeing a hard wearing finish and the creation of clean elegant lines to produce inspirational kitchen design.

Axiom Shapes worktops are laminated on both faces and edged on all sides, leaving no exposed areas. This allows you to cut, scribe and joint each worktop without the worry of on-site application or additional edging.

Product Features

- Pre-packaged. Ready-to-go from stock.
- Choice of 6 stylish designs.
- Surface textures selected to further enhance the worktop design.
- 4 different shaped components for maximum flexibility.
- Laminated on both faces with heat, water and scuff resistant Formica® laminate.
- Polypropylene edging on all four sides to match the surface design and texture.
- No exposed surface areas, seals the worktop against moisture.
- Maintenance and Installation leaflet supplied with each worktop.
