The Tenby Kitchen

TopClassCarpentry.com offer a wide range of kitchens and joinery products specifically designed to meet the demands of modern living.

The Tenby Kitchen is a classic design with barrel top style doors in a painted ivory finish enhanced by simple tongue and grooved centre panels.

The Tenby Kitchen is a traditional style kitchen that will suit either the brass effect T handles or the antique pewter effect knobs, complete the look with traditional cornice and light pelmet, or maybe a Belfast sink.

Standard wall and base carcasses in the Tenby range are supplied in white. Decor display carcasses are supplied in ivory finish.
