## The Greenwich Oak Kitchen

TopClassCarpentry.com offer a wide range of high quality kitchens and joinery products specifically designed to meet the demands of modern living

The oak Greenwich kitchen offers screen printed glass and an oak grain effect finish that can suit many home styles, this practical stylish kitchen features oak grain effect slab doors that combine well with stainless steel T bar handles.

The oak Greenwich kitchen can be displayed to full effect with stainless steel decorative legs, and the neutral tones of oak work well with many colour schemes, this kitchen also offers a choice of bulb nose or square cornice and pelmet.

The Greenwich oak kitchen standard wall and base units are supplied in beech, decor units, and tower carcasses are supplied in oak.
