## The Hexham Oak kitchen

TopClassCarpentry.com offer a wide range of kitchens and joinery products specifically designed to meet the demands of modern living.

The Hexham Oak kitchen is a superior solid oak shaker style kitchen that features a subtly detailed centre panel and substantial frame that breathes new life into a classic kitchen design.

The Hexham oak kitchen features an extensive offering of decorative units and accessories to personalise your kitchen, combine beehive handles, textured glass doors with time honoured pilasters to create a traditional look or use polished steel D-handles and classic cornice and pelmet to give a more modern feel.
