The Saponetta Beech Kitchen

TopClassCarpentry.com offer a wide range of top quality kitchens and joinery products specifically designed to meet the demands of modern living.

The Saponetta beech kitchen is a new addition to our range for autumn 08, this beech effect kitchen features a saponetta style door that works perfectly with nickel effect bar handles.

The Saponetta beech kitchen also features glass fronted doors and half height wall units that enable this versatile range to be extended into other living areas.

Standard wall and base carcasses in the Saponetta beech range are supplied in beech. Decor display carcasses are also supplied in a beech effect finish.
